

Withcott State School Enrolment Flowchart

Making connections with the school

Enquire about enrolment packs by phoning (46149333) or by downloading documents from our [website](#)

Look for our Facebook page– **Withcott State School** and our Special Prep Facebook page **Prep 2024 Withcott State School**. Watch these pages for events and information.

Fill in the enrolment form, locate your child's birth certificate and bring them into the school office. If you would like a tour of the campus and the classrooms, ring ahead and book a tour with the principal and drop off the forms at the same time.

Making connections with families

Check out our [uniform shop](#) and maybe buy a uniform that your child can wear and get used to the idea of being a 'big school' student. Imaginative play around going to school is great for children to grow in confidence.

When the Prep Parent Information night is on, make yourself available to come. Bring any questions or concerns and ask the staff so you have the information you need. Bring the kids so there is another chance to play and feel comfortable.

Keep an eye out for invitations and events at the school. We want you to feel welcome to visit during 2023 and experience such events as Assemblies, Sport Days, Art and Music events and particularly our Under 8's Day Spectacular.

Meeting with the teacher

A 1:1 interview with a Prep teacher to talk about the needs of your child and ask questions.

Tea & Tissues

A little something for our parents on the first day. A time where you can sit with others and make sure you and your child are settled.
